World leaders in inflatable tube techn

Sea Pool Prices

Henshaw Sea Pools can be supplied in any shape or size required and are made as standard in Light Grey Hypalon coated fabric. Sizes are quoted as the clear inside useable area. Pools are supplied with a 2.5 metre deep fine mesh net, and have lifelines, anchoring points, removable ballast weights, and stowage valises for both the deflated pool and weights. The pool is also supplied with standard repair kit and high pressure inflation pump (please specify type – 12v, 110v 230v).
